

PAR Carcassing

At Södra Wood we stock an extensive range of PAR carcassing to meet the requirements of national, regional and local merchants.

Our PAR carcassing is all Swedish production of high quality providing consistency for our customers.

FEATURES	BENEFITS
PAR rounded four corners	For ease of handling
Strength graded in accordance with BS EN 14081	Provides guaranteed structural performance
Excellent quality wood fibre	Consistently high quality products
Kiln dried	Lighter in weight, stronger in application, protects against decay
PEFC certified	Ensuring products are sourced responsibly and environmentally with a robust chain of custody
Just In Time (JIT) pick a pack service	Maximum flexibility to help maintain optimum stock levels
Nationwide delivery service	A delivery service that allows our customers to access our products nationwide
In-house treatment facilities	High and low pressure treatment available, providing consistency and flexibility of service
Half packs	Maximum stack range with minimum stack holding
Packaged to length	For ease of loading and storage
Plastic wrapped on the top and four sides for protection	Ensures our products arrive in the best condition possible
Wide range of sections and lengths	In line with customer's requirements
Pack-saw facility at our New Holland Terminal	Provides flexibility on all our range of products helping minimise waste and further processing in a factory environment
Mixed loads	Maximum flexibility to mix and match products that suit our customers' requirements
