

Masonite Beams

Engineered Wood Products represent a bold step forward, not only in terms of ease of use, excellent performance, and cost saving characteristics, but in the environmental credentials they offer to specifiers and end users.

The performance of Engineered Wood Products can be accurately predicted which means we can fine tune a design so that exactly the right amount of product is employed for any given situation.

Södra Wood is a leading supplier of Engineered Wood Products to the UK market and has a wealth of experience in the storage, handling and distribution of these high quality materials.

We have a strategic alliance with Masonite Beams, Europe's longest running I-Joist manufacturer, whereby we supply Masonite's products to a wide range of distributors, timber frame manufacturers, merchants and specialist engineered wood product companies in the UK and Ireland.

Masonite I-Joists are part of Södra Wood's Engineered Wood Products range which includes complementary solid beams. Information on these products is also available.

FEATURES	BENEFITS
Softwood flanges	Stable, strong and reliable engineered wood product for easy cutting and fixing
High Performance OSB Web	Accommodates holes for larger services if necessary in accordance with guidelines detailed in the product Technical Guide
Wide Range of Products	Competitive and compatible solutions
Pre-cut Lengths	Precision End Trimmed (PET) products are available direct from the factory
Stiff and Strong	Quiet, flat floors and even ceilings. No herringbone strutting/blocking required
Light in Weight	Very easy to handle and install
Technical Support Team	Expert help is on hand for engineering and design queries
Quality Assured	Full European Technical Approval
Forest Certification	Manufactured under ISO14001, full PEFC chain of custody, EPD certified

Full load orders (min 45m³ mixed loads) from landed stock are available on a 48hr Just In Time (JIT) delivery basis.

Split packs and pack cuts require an additional 2 day lead time.

Delivery of part loads will be subject to other orders being available to fill the vehicle.

All Masonite Beams products are PEFC Certified.
